

2017-2018 Annual Report

MISSION

The mission of Capitol Squash is to empower youth of Hartford to reach their potential as athletes, students, and engaged citizens.

Capitol Squash provides urban youth with life-changing opportunities through the sport of squash, intensive educational support, mentoring, and community service activities.

A MESSAGE FROM THE BOARD CHAIR

Dear Supporters of Capitol Squash:

Capitol Squash is off to another successful start to the 2018-19 year. Our Executive Director, Meg Taylor, and her team continue to do an outstanding job. We are grateful for Capitol Squash's partnership with Trinity College, our home for all programming. We're in a strong financial position and our plans for a new facility are moving forward (details near future). Positive press (including an inspiring piece on NPR – see below) and word of mouth messaging routinely uplifts. We've effectively moved out of the realm of start-up to a place where foundations, volunteers and donors now seek us out. My how far we've come in a short four years!

Thank you again and again for all that you give – whether it's wealth as a donor, wisdom as a counselor or work as a volunteer. Collectively they're the reason we've accomplished so much so far.

Please consider giving to Capitol Squash so that we may continue to grow and improve. Just as we believe in our students' potential, we appreciate your belief in our organization's past and potential. I'm routinely inspired by what we've accomplished. At the same time I know we have extraordinary days ahead!

With gratitude,

David Kinsley
Board Chair

A MESSAGE FROM THE EXECUTIVE DIRECTOR

Dear Friends of Capitol Squash:

Four years ago, Julissa attended M.D. Fox School's very first tryout session at Capitol Squash. We didn't have any transportation, so we walked nearly a mile with the students to Trinity College. Now with a few more years under our belt, additional staff, and transportation, we have had an incredible year and have so much to be proud of:

- Julissa received a full tuition scholarship to attend The Taft School and plans to play varsity squash.
- Adriana received a prestigious merit-based scholarship to attend East Catholic High School.
- Ku, a refugee from Thailand, started her first year at Ethel Walker School.

Together, these three girls have received \$140,000 in financial aid. And that's just for their freshman year! These schools

believe in our students' potential and are investing in their futures. *Respect*

At Capitol Squash we invest in our students every day. They work with tutors on their homework, receive squash and fitness coaching, and learn about health and nutrition. Our students attend our four-week summer program. They have the opportunity to attend day and overnight camps. They compete in tournaments and travel on trips. All of these opportunities, coupled with adult mentorship and character building, prepare our students to apply for private school and ultimately – college. By investing in our students now, we open the doors for their future!

Meg Taylor
Executive Director
